Stamp collecting is the most important educational hobby for people of all ages and interests who wish to learn more about the world. Stamps are an important way to explore history, geography, people, culture, and art. Collectors can “travel the world” and the universe through their collections for only a few dollars.

**In 2021, the US Postal Service issued a set of stamps celebrating western wear.
Knoxville Philatelic Society celebrates Country Music and these stamps.**

**See these and many more historical stamps in exhibits online at
www.knoxstamps.com**
