The *Grand Ole Opry* is a regular live country-music radio broadcast originating from Nashville, Tennessee, on WSM, held between two and five nights per week, depending on the time of year. It was founded on November 28, 1925, by George D. Hay as the *WSM Barn Dance*, taking its current name in 1927. It moved to its most famous former home, Ryman Auditorium, in 1943. https://en.wikipedia.org/wiki/Grand_Ole_Opry. In December 1945, Grand Ole Opry star Bill Monroe and his mandolin brought to the Ryman Auditorium stage a band that created a new American musical genre known as Bluegrass.
