PRESIDENT'S REMARKS

Welcome to Knoxpex '89! Let me ask you a few questions about stamps. Did you know that in spring or early summer the U.S. Postal Service will be releasing a Lou Gehrig stamp? Did you know that a baseball centennial stamp was issued in 1939 (#855)? Did you know that a stamp recognizing the centenary of professional baseball was issued in 1969 (#1381)? Did you know that 1989 is the 150th anniversary of the sport of baseball? That's right. To celebrate this, the Knoxville Stamp Club has prepared a cachet, designed by Dean Treadway, that can be purchased at the hospitality table. We have a special show cancel, available at the postal booth, for both days of the show. These covers will be ideal as souvenirs of this show, as well as a cachet used in conjunction with the upcoming Lou Gehrig stamp. Thank you for attending and enjoy the show!

KNOXVILLE STAMP COLLECTORS ARE YOU AWARE YOU HAVE A CHOICE?

I have Knoxville's largest stock of Foreign stamps. I also keep a comprehensive US stock, including the modern issues so many collectors miss. Plate number coil strips, plate blocks, etc I can provide. I deal in nothing but stamps, covers, and supplies for stamp collectors. Because I travel to 8- 12 stamp shows per year, many outside Tennessee, I can fill wantlists, at prices you want to pay, for material that you really need in your collection. I appraise collections and estates. I purchase for my retail stock from collectors and dealers alike. I am an APS dealer member, a member of the Florida Stamp Dealer's Association, and a member of the Knoxville Stamp Club and the Atomic City Stamp Club in Oak Ridge.

You can shop with me at the local stamp shows and at the local club meetings. For appointments for both buying and selling stamps, call 947- 9533 after 6PM.
